

KODO HD™

The box for the Kodo HD may incorrectly state that a 4GB memory card is included.

The size of the included memory card is **2GB**.

We apologize for any inconvenience this error may have caused.

Early versions of the Kodo HD manual have the following descriptions for the replacement motors.

DIDE1556 5 Motor CCW R/F L/R (2)

DIDE1557 6 Motor CW L/F R/R (2)

The **correct** descriptions should be

DIDE1556 5 Motor CW L/F R/R (2)

DIDE1557 6 Motor CCW R/F L/R (2)

OOPS!
