ARF #12091

## FEATURES

- Ultra lightweight, all wood airframe
- 90% Pre-built
- Premium iron-on covering
- Aluminum Landing Gear & Tailwheel Assembly
- Oversized Flaps
- Oversized & Double Beveled Control Surfaces
- Push-Pull Rudder Linkage
- Decals Included
- All hardware included.

## PERFORMANCE & CONTROL

Double beveled oversized control surfaces deliver unbeatable aerobatic performance. You can engage the oversized flaps to increase lift at just the right time for critical slow speed maneuvers, execute enhanced flight configurations using them in conjunction with ailerons & elevators, or set them up as extensions of your ailerons for added throws. The Push-Pull rudder linkage delivers slop free responsive control.

## TRADITIONAL GOLDBERG QUALITY

The Carl Goldberg Hot Stik 40 ARF™ is the perfect no hassle low wing airplane, when all you want to do is fly. Like all Goldberg ARFs, the Hot Stik 40 ARF is 90% pre-built and features top-quality hardware. All major components are of the finest balsa and light ply, and pre-covered in premium iron-on covering. A step-by-step instruction booklet will have you out at the field in no time.
