

Siren™ ARF

The power system batteries recommended in the manual have been discontinued. However, better, longer-lasting batteries can be used on the Siren.

FOR SPORT FLYING

We recommend an
Electrifly Power Series
3S 1800mAh (GPMP0515)
or 2200mAh (GPMP0520)
Lipo battery.

FOR AGGRESSIVE, HIGH PERFORMANCE FLYING

We recommend an
Electrifly Power Series
4S 2200mAh battery
(GPMP0521)
