

F-20 *Tigershark*

TECH NOTICE

1. On page 1 of the instruction manual in the Specifications section, the radio recommended should be a 3-channel minimum system with **three micro servos** and a micro receiver.
2. Servo lead extensions (FUTM4507) and Y-connector (FUTM4130) are not necessary. We have included a universal servo lead extension and Y-harness for your convenience.
