

## TECHNICAL UPDATE

The lengths of the included pushrods for the Avistar ARF may be different than indicated in the manual. Please use the included pushrods for the following purposes:

- (2) 6" [152mm] Threaded pushrods for **AILERON LINKAGE** (page 8).
- (1) 15-3/4" [400mm] Non-threaded pushrod for **NOSE GEAR LINKAGE** (page 14).
- (1) 17-1/2" [445mm] Threaded pushrod for **THROTTLE LINKAGE** (page 14).
- (2) 35-1/2" [851mm] Threaded pushrods for **RUDDER** and **ELEVATOR LINKAGE** (page 18).

**NOTE:** *Cutting the pushrods during installation may still be required.*
