STEP 5. Bring Up The Rear.

READ THIS BEFORE YOU BEGIN

• Study the assembly drawings.
• Each plastic part is identified by a number.
• In the assembly drawings, some parts will be marked by a star (*) to indicate chrome plated plastic.
• For better paint and decal adhesion, wash the plastic parts in a mild detergent solution. Rinse and let air dry.
• Check the fit of each piece before cementing in place.
• Use only cement for polystyrene plastic.
• Scrape plating and paint from areas to be cemented.
• Allow paint to dry thoroughly before handling parts.
• Any unused parts may be discarded.
