Rechargeable Batteries Pack: A03102391

## Single Set

To Set up the Mini Diorama:

1. Insert the target board into the single set packing
2. Insert the longer slope (L) to allow the tank climbing up
3. Insert another two shorter slopes (S) to allow the tank moving down

## DX Set

Set up the battlefield with the poster and accessories provided in the DX set as reference picture shown.

## Diorama Set

A03102386

Set Up Procedures:

1. Set up the battlefield with the miniatures included in the diorama set as reference demonstration shown.
2. To build a more realistic war scene and having more excitement, water can be added to the two rivers to separate the two enemy teams side by side. Opponents' tanks are necessary to run across the bridge to the enemy side.

*\*BE CAREFUL: Don't run the tanks into the river with water, otherwise the tanks will be damaged.*

Innovative Game Concept:

1. 3 game concepts and a series of game cards are specially designed for the VSX.
2. 2 Teams with maximum 4 tanks (ID1/2/3/4) are allowed to compete for the ultimate victory.
3. All the details and instructions of 3 games, "Game of Victory", "Game of Merit" and "Game of Glory" are included in the manual of Diorama Set.
